Just a few of the many Talented Teen 4-H Club Activities & Projects

Solar Energy Projects

Healthcare Projects: Vaccination Awareness

Club Volunteers & Youth together Seek Talent Showcase Platforms for Club Members to Share the Talents

County, District & State Presentation Competitions

NE District Teen Retreat

4-H Residential Summer Camp

4-H Congress

Annual College Tour coinciding with homecoming to experience both academic & social aspects. Meet with former college graduates for career choice Q & A. Delve into unique university offerings such as Aviation Science offered at Elizabeth City State University where youth were hosted tailgate with tour guide & photographed with mascot!

Annual Kickball Tournament – 4-H Club members compete & make new friends with different youth organizations in the community.

Explore Career Opportunities- invite guest speakers to meetings, meet recent college graduates to discuss career path opportunities. Local law enforcement officials were invited to meeting to share their career roles & develop rapport with youth.

Community Service Opportunities-

Volunteer w/American Cancer Society's "Relay for Life"

Volunteer w/ Hannah's Closet resale boutique supports domestic abuse victims by working in the boutique & charity events, and collect donations

Year-Round Community Garden- "Jared's Garden" at the Center for Energy Education

Seed & tend vegetable & flower garden with an operational compost bin.

Share harvest bounty with the community. School Buses visit for tours in which Talented Teen 4-H Club members serve as Community Garden Docents answering students' questions.
